22 JUL 1977

Dear

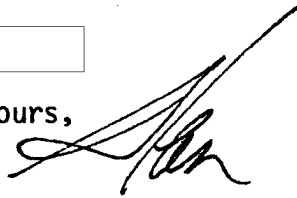

I'm glad you read that CIA article in the paper -- it's good to hear from you. And thanks for the kind words on my appointment. I'll do my best to live up to the trust that has been placed in me.

STAT

As you may imagine, this job is quite different than any I've had up to now. But it's exciting and I'm enjoying myself.

Our best to you and

Yours,

STANSFIELD TURNER
